

## **COVID-19 (coronavirus) UPDATE**

### **Talk to your dentist**

**Dr. Morden 403-614-5591**

**Dr. Wetherell 403-815-5487**

March 18, 2020

Dear Patients and Families of West Calgary Dental Group

For the first time in 70 years, our office has temporarily closed until further notice. This is in accordance with the government directives concerning COVID-19 and in harmony with our entire philosophy of doing what is best for our patients and team members.

We are grateful that we have no knowledge of team members or patients who have been exposed to, felt the symptoms of, or had confirmation of the coronavirus infection. We were of the very first offices to close on Monday the 16th of March at 7am, and when it was not required. We are monitoring things closely, and are very concerned for your health and the health of our community.

You can get in touch with us or leave a message in the usual way. We will check for messages daily. The link between you and your dentist is intact.

After hours, Dr. Morden or Dr. Wetherell may be reached for emergency concerns and advice. Our regular telephone message service will list the call schedule and direct lines for the dentists.

Please note, all levels of automation are being challenged. You may get appointment confirmation emails/texts from us— for now please disregard them. We do not know when clinics will resume. However, emergency clinical care will be directed to local centers as they become known and available.

*Thank you for your understanding during this difficult time.*

*Drs. Darrell Morden & Dawna Wetherell & Team*
